Amazing company! Amazing service! The free Snapshot inspection service from Royalty Home Inspection is an incredible resource. While searching for a house out of state, I was able to send the address and online property listing to Royalty Home Inspection, and within minutes I was provided a free bullet-point list of possible concerns to consider while viewing the property for the first time. Given the housing market today, and the quick turn-around-time from listed to pending sale...these Snapshot inspections have been an invaluable tool to have while viewing the properties. Troy was not only professional and very responsive, but he went above and beyond, reviewing multiple listings and helping me narrow down my search with confidence. He even offered his opinion on a couple of pictures I took during the viewing. Thank you for the outstanding support during the house hunting process!

After our home burned down and we lost a beloved pet, we were devastated. The builder we hired made things worse, poor workmanship, broken promises, and a nightmare of a rebuild. Then we found Troy at Royal T Home Inspection. His expertise helped us recover some of our losses, switch to a trustworthy contractor, and finally complete our new home. Troy even offered his inspection services for free to bless our family. His knowledge, integrity, and faith shine through in everything he does. Royal T is more than a company, it's a lifeline. Highly recommended.

This was my first time using Troy from Royal T Homes Inspection. I wished I would of hired him before I purchased my house but I am glad I was able to hire him now. He is one of the best home inspectors in this area. I would recommend using his service, especially if you want a thorough, honest, and trustworthy house inspector.

Troy at Royal T Home Inspection is outstanding! He is prompt, attentive, meticulous, informative, expeditious, and extremely competent. We've used his home inspection services multiple times and the results were all excellent/very detailed at a fair price. If you're shopping around for a home inspector, stop looking right now and just go with Troy. You will not be disappointed.

I HIGHLY RECOMMEND Troy Vogt with RolyalTy Home Inspections!!! I have been a full time REALTOR for almost 18 years, with Long and Foster Real Estate. Troy is THE BEST, most thorough Home Inspector I have EVER worked with, here in Fredericksburg AND in Northern Virginia. He is very knowledgeable about all aspects of real property, inside and outside of the property and he takes hundreds of pictures which then appear in his detailed, yet easy to understand report. He even takes photos, with an extendable wand, of the roof of the property---and sometimes even takes photos with his drone! My Buyers have felt at ease with him to ask any and all questions...during the Inspection, and even after the Inspection. He is a total professional! HIGHLY RECOMMEND!
